

# **CLEAN-UP** event for **Earth Day '09**

No one likes to see litter in our parks and waterways. It looks unsightly and makes playgrounds dirty and unsafe for our children.

At 1-800-GOT-JUNK? our community is important to us. We live and work locally and want to keep this community beautiful for our families and yours.

As a celebration of Earth Day 2009 we want to clean up our neighborhood. In April we'll be holding a community clean-up event and all you need to do is join us.

Together we can make our earth green again, one community step at a time.

Join us in April. See details below.
