

Wanted

Clean, Gently Used Plastic Toys

1-800-GOT-JUNK? and *Second Chance Toys*, an organization that rescues and recycles unwanted plastic toys for needy children, have teamed up to celebrate this “earth week” by donating toys.

Your plastic toy donations will be collected and tagged with messages from our children to those less fortunate. Camden County Social Services will distribute the toys among 3,000 families in need in our county. You will also be helping our environment by keeping these non-biodegradable toys out of our landfills.

When: April 13 -18th 2009 Earth Week

Where: Moorestown Mall, Voorhees Town Center and Brandywine Realty Trust Locations

What: PLASTIC TOYS, CLEAN, NO MISSING PARTS, BATTERIES WORK

Thanks from 1-800-GOT-JUNK? and *Second Chance Toys* for providing a gift of happiness during this earth week and for doing your share to save the environment.
